**EPOXY SEAL FOR THE COPPER STREET BRIDGE
IDAHO TRANSPORTATION DEPARTMENT
DISTRICT ONE**

Requisition Number: A-310970

DESCRIPTION:

This work shall consist of concrete surface preparation by shot blasting, and furnishing of a rapid-curing, skid-resistant, epoxy seal material, and mineral aggregate, for the purpose of providing an overlay system for approximately 6200 sq. ft. of concrete bridge deck. The Contractor will provide the personnel and equipment necessary to prepare the deck surface for seal application by the use of shot blasting. The Contractor will provide a jobsite supervisor qualified in surface preparation and product application. The Idaho Transportation Department (ITD) will provide all traffic control and all personnel necessary for product application. Work shall commence on that date mutually agreed upon by the ITD engineer and the Contractor. The Contractor shall detail all special tools and/or equipment necessary for the application of materials that ITD is to supply before work is begun. Once work has begun, the Contractor will be allowed 10 working days to complete deck preparation and application as specified.

MATERIALS:

The epoxy material shall be listed on the State of Idaho Transportation Department's list of approved materials. The epoxy material, such as Thoroc Trafficguard EP-35 or Pro-Proxy Type III DOT rapid cure epoxy, shall be applied as per manufacturer's recommendations. An application of mineral BT 6 X 10 aggregate shall be applied after each application of epoxy in the manner specified by the epoxy manufacturer. The aggregate shall meet the gradation cleanness, and application lbs. per sq. ft. specifications of the epoxy manufacturer.

LOCATION:

Site is located on Interstate 90 at milepost 68.44 near Mullan, Idaho. Contractor must contact Bill Kaufman at (208) 722-1236 for project scheduling.

PAYMENT: Lump Sum

The Contractor will be paid in one lump sum upon satisfactory completion for the following work as specified.

**Shot Blasting
Epoxy
Aggregate
Project Supervision**

TERMS AND CONDITIONS

Automobile Liability Including Pollution Coverage

Contractor shall obtain, at Contractor's expense and keep in effect during the term of this contract, Automobile Liability Insurance that includes pollution coverage with a combined single limit of no less than \$1,000,000. Such policy shall insure against bodily injury, property damage, and environmental damage arising out of the use by or on behalf of the contractor, its agents, and employees or owned, non-owned, or hired vehicles. Contractor will ensure the Department, its agents, officials, employees, and the state of Idaho shall be named as additional insureds and shall stipulate that the insurance afforded the Contractor shall be primary insurance and that any insurance carried by the Department, its agents, officials, employees, and the state of Idaho shall be excess and not contributory insurance to that provided by the Contractor.

Commercial General Liability

Contractor shall obtain, at contractor's expense, and keep in effect during the term of this contract, Commercial General Liability Insurance covering bodily injury and property damage. This insurance shall include personal injury liability coverage; contractual liability coverage for the indemnity provided under this contract and products/completed operations liability. Combined single limit per occurrence shall not be less than \$2,000,000, or the equivalent. Each annual aggregate limit shall not be less than \$4,000,000, when applicable and will be endorsed to apply separately to each job site or location. Contractor will ensure the Department, its agents, officials, employees, and the state of Idaho shall be named as additional insureds and shall stipulate that the insurance afforded the Contractor shall be primary insurance and that any insurance carried by the Department, its agents, officials, employees, and the state of Idaho shall be excess and not contributory insurance to that provided by the Contractor.

SAVE HARMLESS

The Contractor shall exonerate, indemnify, and hold the Department harmless from and against and assume full responsibility for payment of all federal, state and local taxes or contributions imposed or required under unemployment insurance, social security, Worker's compensation, and income tax laws with respect to the Contractor or the Contractor's employees engaged in the performance of this Agreement. The Contractor will maintain Worker's Compensation Insurance and will provide certificate of same if requested by the Department. Failure to provide a Certificate of Worker's Compensation Insurance may result in a price adjustment to cover any cost to the Department of providing the necessary Worker's compensation insurance. The Department will not assume liability as an employer.

The Contractor shall protect, indemnify, and save the Department harmless from and against any damage, cost, or liability including reasonable attorney's fees for any or all injuries to persons, property or claims for damages arising from any acts or omissions of the Contractor, its employees, or subcontractors.

RELATION OF PARTIES

The service or services to be rendered under this Agreement are those of an independent contractor. The Department is interested only in the quality of service or services provided and the final results to be achieved; the conduct and control of the work will be solely with the Contractor. The Contractor is not an officer, employee, or agent of the Department as those terms are used in Idaho Code § 6-902, et al, and is not entitled to any benefits provided by the Department to employees.

BID SCHEDULE

Each Bid item shall be filled in completely by the **Contractor** in the bid schedule, by indicating total dollars and cents under Price Per Unit and Amount Bid.

SPECIAL PROVISIONS - STATE-AID

I. APPLICATION

These contract provisions shall apply to all work performed on the contract by the contractor with his own organization and with the assistance of workmen under his immediate superintendence and to all work performed on the contract by piece work, station work or by subcontract.

II. EMPLOYMENT LISTS, LABOR SELECTION, NON-DISCRIMINATION

A local public employment agency has been designated by the State to prepare the employment lists for the project.

All qualified unskilled labor shall be employed insofar as possible from lists furnished the contractor by the employment agency designated in the contract. The contractor may avail himself of the services of the employment agency for obtaining labor of the intermediate and skilled grade.

In the performance of this contract, within the limitations of Subsection 107.01 requiring employment of up to 95% Idaho residents, preference in employment shall be given to qualified honorably discharged Veterans of the United States Armed Forces.

During the performance of this contract, the contractor, for itself, its assignees and successors in interest (hereinafter referred to as the "Contractor"), agrees as follows:

1. Compliance with Regulations:

The Contractor shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the U.S. Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the "Regulations"), which are herein incorporated by reference and made a part of this contract.

2. Nondiscrimination:

The Contractor, with regard to the work performed during the contract, shall not discriminate on the grounds of race, color, religion, sex or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The Contractor shall not participate either directly or indirectly in the discrimination prohibited by section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

3. Solicitations for Subcontracts, Including Procurements of Materials and Equipment:

In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Contractor, of the Contractor's obligations of this contract and Regulations relative to nondiscrimination on the grounds of race, color, religion, sex, or national origin.

4. Information and Reports:

The Contractor shall provide all information and reports required by Regulations and/or Directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the state of Idaho Transportation Department or the Federal Highway Administration to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of a Contractor is in the exclusive possession of another who fails or refuses to furnish this

information, the Contractor shall so certify to the state of Idaho Transportation Department or the Federal Highway Administration as appropriate, and shall set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance:

In the event the Contractor is in noncompliance with the nondiscrimination provision of this contract, the state of Idaho Transportation Department shall impose such contract sanctions as it or the Federal Highway Administration may determine to be appropriate, including, but not limited to:

- a. Withhold progress payments until it is determined that the contractor is found in compliance;
- b. Suspend the contract, in whole or in part, until the contractor or subcontractor is found to be in compliance with no progress payment being made during this time and no time extension made;
- c. Cancel or terminate the contract for cause;
- d. Assess against the contractor's final payment on this contract or any progress payments on current or future Idaho projects an administrative remedy by reducing the final payment or future progress payment in an amount equal to 10% of this contract or \$7,700, whichever is less.

6. Incorporation of the Provisions:

The Contractor shall include the provisions of paragraphs (1) through (6) in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The Contractor shall take such action with respect to subcontractor or procurement as the state of Idaho Transportation Department or Federal Highway Administration may direct as a means of enforcing the provisions, including sanctions for noncompliance, provided, however, that in the event a Contractor becomes involved in, or is threatened with litigation with a subcontractor or supplier as a result of such direction, the Contractor may request the state of Idaho Transportation Department to enter into such litigation to protect the interests of the State, and in addition, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

III. **LABOR PROVISIONS**

The wages of labor shall be paid in legal tender of the United States, except that this condition will be considered satisfied if payment is made by a negotiable check, on a solvent bank, which may be cashed readily by the employee in the local community for the full amount without discount or collection charges of any kind. Where checks are used for payment, the contractor shall make all necessary arrangements for them to be cashed and shall give information regarding such arrangements. No fee of any kind shall be asked or accepted by the contractor or any of his agents from any person as a condition of employment on the project.

No employee shall be charged for any tools used in performing their respective duties except for reasonably avoidable loss or damage thereto.

Every employee on the work covered by this contract shall be permitted to lodge, board and trade where and with whom he elects and neither the contractor nor his agents nor his employees shall directly or indirectly require as a condition of employment that an employee shall lodge, board or trade at a particular place or with a particular person.

No charge shall be made for any transportation furnished by the contractor or his agents to any person employed on the work.

No individual shall be employed as a laborer on this contract except on a wage basis, but this shall not be construed to prohibit the rental of teams trucks or other equipment from individuals. No such rental agreement or any charges for feed, gasoline, supplies or repairs on account of such agreement, shall cause any deduction from the wages accruing to any employee except as authorized by the regulations hereinbefore cited.
